

SEE YOU LATER, ALLIGATOR

**See you later, Alligator.
In a while, Crocodile.
See you in the elevator
Or floating down the Nile.
There is nothing any greater
Than to see your cheery smile.
See you later, Alligator.
In a while, Crocodile.**

If you gotta say goodbye,
Here's a phrase for you to try:
Out the door, Dinosaur.
Bye, bye, Butterfly.

See you later, Alligator...

Try a new one when you go,
Use it with someone you know.
Better shake, Rattlesnake.
Gotta go, Buffalo.

See you later, Alligator...

I will see you here and there,
We will meet again somewhere.
I'll be back, Wolf pack.
Take care, Polar bear.

See you later, Alligator....
