

Royal Recorder Product License

Student Book 1 (e-book) plus Accompaniment Tracks

Single User License

Student Book 1 (43-page e-book) for one student, plus 44 accompaniment tracks. [Single User License](#) download copy may only be used by the person for whom it is purchased. Any additional reproduction is prohibited.

The intent of this license is to accommodate an individual student who will be the sole owner/user of the Student Book and accompaniment tracks that are printed/downloaded.

Small School / Studio License

Student Book 1 (43-page e-book) with license to print copies for one or two classes of students (approximately **60 books**), plus 44 accompaniment tracks.

[Small School / Studio License](#) allows you, as a teacher, to print copies of the Student Book for one or two classes of students each year. It is the understanding that each student will keep the copies of music printed for them. Copies may not be shared with other teachers or non-students. Accompaniment tracks may be shared with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs where one teacher teaches multiple students in one or two classes per year and/or a studio where one teacher has a small number of students each year.

Large School / Studio License

Student Book 1 (43-page e-book) with license to print copies (**61 books or more**) for multiple classes, plus 44 accompaniment tracks.

[Large School / Studio License](#) allows you, as a teacher, to print copies of the Student Book for any number of your own students each year. It is the understanding that each student will keep the copies of music printed for them. Copies may not be shared with other teachers or non-students. Accompaniment tracks may be shared with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs where one teacher teaches students in multiple classes and/or studios where one teacher has a large number of students.

Student Book 2 (e-book) plus Accompaniment Tracks

Single User License

Student Book 2 (49-page e-book) for one student, plus 47 accompaniment tracks. [Single User License](#) download copy may only be used by the person for whom it is purchased. Any additional reproduction is prohibited.

The intent of this license is to accommodate an individual student who will be the sole owner/user of the Student Book and accompaniment tracks that are printed/downloaded.

Small School / Studio License

Student Book 2 (49-page e-book) with license to print copies for one or two classes of students (approximately **60 copies** of books), plus 47 accompaniment tracks.

[Small School / Studio License](#) allows you, as a teacher, to print copies of the Student Book for one or two classes of students each year. It is the understanding that each student will keep the copies of music printed for them. Copies may not be shared with other teachers or non-students. Accompaniment tracks may be shared with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs where one teacher teaches multiple students in one or two classes per year and/or a studio where one teacher has a small number of students each year.

Large School / Studio License

Student Book 2 (49-page e-book) with license to print copies (**61 books or more**) for multiple classes, plus 47 accompaniment tracks.

[Large School / Studio License](#) allows you, as a teacher, to print copies of the Student Book for any number of your own students each year. It is the understanding that each student will keep the copies of music printed for them. Copies may not be shared with other teachers or non-students. Accompaniment tracks may be shared with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs where one teacher teaches students in multiple classes and/or studios where one teacher has a large number of students.

[Large School / Studio License](#) allows you, as a teacher, to print copies of both Student Books for any number of your own students each year. It is the understanding that each student will keep the copies of music printed for them. Copies may not be shared with other teachers or non-students. Accompaniment tracks may be shared with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs where one teacher teaches students in multiple classes and/or studios where one teacher has a large number of students.

Teacher Guide (e-book) plus Accompaniment Tracks

Single User License

Teacher Guide (176-page e-book) plus 91 accompaniment tracks. The guide covers all songs in both Student Book 1 and Student Book 2 and includes sample lesson plans, teaching strategies, student tracking and fingering charts, student incentives, and reference pages showing all student book material.

[Single User License](#) is issued to the purchaser, who is the sole owner of the single downloaded copy of this book. Any additional reproduction is prohibited.

The intent of this license is to accommodate a parent working with their own child, or homeschool settings with a small number of students.

Classroom / Studio License

Teacher Guide (176-page e-book) plus 91 accompaniment tracks. The guide covers all songs in both Student Book 1 and Student Book 2 and includes sample lesson plans, teaching strategies, student tracking and fingering charts, student incentives, and reference pages showing all student book material.

[Classroom / Studio License](#) allows you, as a teacher, to use this copy as you teach any number of your own students. Copies may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs and/or studio teaching settings where one teacher has multiple students.

Accompaniment Tracks - for Student Book 1

User License

Student Book 1 accompaniment tracks support student learning with a practice speed and a performance speed option provided for each Royal Recorders song. There are 44 tracks in total.

[User License](#) allows you, as the purchaser, to share the accompaniment tracks with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances.

Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs, studios and private users where students are using the tracks to accompany songs included in the Royal Recorders teaching method.

Special note: If an organization that does not include the purchaser of these tracks wishes to use the accompaniment tracks (e.g., church group, community group or another music teacher) please direct them to the Royal Recorders website information so they may purchase their own copy of the accompaniment tracks.

Accompaniment Tracks - for Student Book 2

User License

Student Book 2 accompaniment tracks support student learning with a practice speed and a performance speed option provided for each Royal Recorders song. There are 47 tracks in total.

[User License](#) allows you, as the purchaser, to share the accompaniment tracks with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances.

Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs, studios and private users where students are using the tracks to accompany songs included in the Royal Recorders teaching method.

Special note: If an organization that does not include the purchaser of these tracks wishes to use the accompaniment tracks (e.g., church group, community group or another music teacher) please direct them to the Royal Recorders website information so they may purchase their own copy of the accompaniment tracks.

Accompaniment Tracks Bundle

User License

Accompaniment Tracks Bundle includes both Student Book 1 and Student Book 2 accompaniment tracks, supporting student learning with a practice speed and a performance speed option provided for each Royal Recorders song. There are 91 tracks in total.

User License allows you, as the purchaser, to share the accompaniment tracks with any number of your own students. This license includes use in private or public school teaching settings, school digital download programs to support student learning, students playing with the accompaniment tracks in online posts, and public performances. Accompaniment tracks may not be shared with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs and private users where students are using the tracks to accompany songs included in the Royal Recorders teaching method.

Special note: If an organization that does not include the purchaser of these tracks wishes to use the accompaniment tracks (e.g., church group, community group or another music teacher) please direct them to the Royal Recorders website information so they may purchase their own copy of the accompaniment tracks.

Tutorial Videos

User License

57 tutorial videos have been created supporting each song in the Royal Recorders teaching method. These videos may be used for student support in a variety of teaching settings (homeschool, elementary music class, private studio, etc.). These videos are posted on an unlisted YouTube playlist with purchasers having access via the private link provided.

[User License](#) allows you, as the purchaser, to share access to these videos with any number of your own students. This license includes in-class teaching settings or sharing with students via school digital download programs to support student learning. This is an unlisted YouTube playlist and YouTube usage licensing applies. Please do not share this link with other teachers or non-students.

The intent of this license is to accommodate elementary school music programs and private settings where the tutorial videos are used to support students learning to play recorder via the Royal Recorders teaching method.
